### Reception Given.

A pleasant occasion was that of Wednesday evening when the Delta Alpha class of the Methodist church were hostesses at a reception, given to a company of young ladies from the three other local churches. The vestry was completely changed by the use of draperies, couch covers, cushions, etc., presenting a very homelike appearance. The Delta Alpha colors, dark blue and old gold, were used in the decorations, the trimmings upon the tables, electroliers, etc., carrying out the color scheme.

A very fine program was carried out, including instrumental numbers by Mrs. C. Raymore and Mrs. A. W. Waite, a trio by Mrs. W. M. Johnstone, Mrs. C. H. Raymore and Miss Nita Ellis, also vocal solos by Mrs. Alton Lawson and a recitation by Mrs. A. W. Ruff. A chafing dish lunch was served, also ice cream and cake.

The friendliness shown among our local church people is very commendable and the fact that our people do get-together occasionally for a social evening and enter heartily with a spirit of good will into the enjoyment of the occasion, is something in which we are all glad to see.

Last year the Unity of the Cong'l church very royally entertained the young ladies from the local churches and those attending this affair, give their opinion of the event in a manner reflecting much credit on the Delta Alpha class as hostesses.

Friday, June 5, will be observed by the W. C. T. U. as Flower Mission Day, at the vestry of the M. E. church, at 2 o'clock. All are invited to come, bring flowers and the names of sick or shut-ins.
